SOMERSET CARERS CONSULTATION

This is your chance to have your say and influence future services for carers

Peter Fletcher Associates Ltd
Research and Consultancy

NHS Somerset and Somerset County Council have appointed Peter Fletcher Associates Ltd., to help them understand the future needs of carers across the county. As part of this work, we are keen to obtain the views of as many carers as possible and would very much like your help with this.

If you would like to take part in this survey please phone us for a copy of the questionnaire or complete it online at:
